---

Frontend developer with experience building modern web applications using React, TypeScript, and Tailwind CSS. Passionate about code quality, user-centered design, and continuous learning. I have over 3 years of experience in customer service, which helped me develop strong communication and problem-solving skills.

## PROFESSIONAL EXPERIENCE

---

### Frontend Developer

**Buenos Aires, Argentina**

Foo Talent Group - Smart Projects

April 2025 – May 2025

- Developed a software product based on the needs of a real stakeholder.
- Represented the frontend team, facilitating communication with UX/UI and backend.
- Actively participated in daily meetings and team planning.
- Provided strategic suggestions during project kickoff.
- Implemented reusable components following designs from the UX/UI team.
- Set up the initial frontend environment with Vite, TypeScript, and React.

### Frontend Developer

**Buenos Aires, Argentina**
